

How to register for the ASAUK 2018 Conference

1. Visit the conference management website via this link:

<https://www.conference-service.com/ASAUK2018/>

To create an account please press on the green text “Create a new user account” as indicated below.

Conference website

Account creation and login

If you do not have a user account

[Create a new user account](#)

You need to have a user account in order to register your participation at this event.

Opening a user account will permit you to submit contributions and to administrate your submissions online.

A valid user account is also required if you will support the conference as a reviewer, editor or administrator.

If you have a user account

Account login

Email or user-ID

Password

[Click here to recover a lost password.](#)

2. The account creation button will bring you to a new page where all your personal details can be filled in.

Create a new user account

Once you have registered, you will receive a password at the email address provided on the form. With this password, you will be able to log onto your account.

With the conference password you can:

- View and modify your personal details
- View and modify conference submissions
- See the status of your submission
- Submit further abstracts

Note: Required fields are indicated by an asterisk (*).
